

SMART START SALES EVENT

Ask about limited-time
financing incentives!

The smartest move is the one you'll love coming home to. During our **Smart Start Savings Event**, purchase a select quick move-in home or build a new home in select communities and enjoy valuable savings when financing with First Equity Mortgage.

Right now this limited-time opportunity can help you make your move with confidence. Use available incentives toward lowering your interest rate, reducing closing costs, or customizing your financing to better fit your needs on a quick move-in home.

Looking to build? Add designer finishes from the Drees Design Center, expand your garage, create the outdoor living space you've been dreaming of, and more. The choice is yours!

Experience the quality, value, and customization that make a Drees home the smart choice.

Don't wait. This limited-time promotion ends **September 30, 2026!**
